## About SEED Inclusivity

---

SEED Inclusivity is Seedstars' program for assistive technology and disability inclusion startups across Asia. We find founders building for people with disabilities and give them what the market hasn't: capital, mentorship, and a stage.

**2,969,540**

PEOPLE IMPACTED

**\$12.8M**

RAISED

**24.64x**

ROI

This booklet is about Cohort 2: 17 startups from India, Pakistan, Indonesia, and Singapore.
